LET'S PRACTICE WHAT WE PREACH!

- 65% of Republican Voters want Hand Marked Paper Ballots (2024 Primary)
- RNC Election Integrity Resolutions Call for Hand Marked Paper Ballots (HMPB)
- Georgia Election Integrity Task Force Resolutions Call for HMPB
- Hand marked paper ballots were successfully used in 2nd (Cherokee Method), 11th, & 14th Districts this year, 2025.

HERE'S THE STEP BY STEP PROCESS!

- Sargent-at-Arms maintain full Chain of Custody of ballots from distribution, to collection in clear/lockable Ballot Boxes, and transport to Counting Room.
- Ballots are numbered to track used, unused, and spoiled ballots. Tally sheets track batches. (See side 1)
- Delegates go row by row to receive ballot, cast ballot and drop in ballot box.
- As ballots are collected in clear/lockable ballot boxes, they are delivered to tally teams. In the Counting Room, SAA sort into batches of 50 ballots. Guardians distribute batches to counting teams (10-20 teams of 4 people).
- Multiple teams of 4 people — 1 reader, 1 verifier, 2 recorders handle 1 batch at a time.
- Ballots are read and recorders independently tally and reconcile each batch of 50 ballots.
- Batches are summarized on Batch Summary sheet.
- Runoffs are recorded on separate ballot and processed the same way.
- Final results reported to convention body.
